### Karl Prussion To Speak At Memorial Bldg. on October 17

Karl Prussion, for twelve years a counterspy for the F.B.I. inside the communist apparatus, will speak to the people of Albany on the threat of the communist conspiracy. Prussion's twenty-six years as a member of the Communist Party, U.S.A., qualify him as an authority on communist doctrine, goals and methods.

Sponsored by the local members of the Californian's Committee to Combat Communism, a meeting in the Veterans Memorial Building, 8 p.m. Wednesday, October 17 will be free to all.

With his background of extensive penetration into the communist underground, Mr. Prussion is able and willing to disclose the nature of the organization dedicated to the overthrow of our way of life.

The sponsors of the meeting feel that the opportunity to hear Prussion is timely as well as important since the coming election (November 6) contains a proposed constitutional amendment for the control of subversive organizations (Proposition 24, the so-called Francis Amendment) and are presenting this inside view of the Red Fascist menace so that you may judge for yourself the degree of the threat that is aimed at us.

A GIFT OF TWENTY-FOUR RED ROSES, "one for every hour of the day", was presented to May Ellis Olson, recipient of the "Woman of Achievement Award", by Sigrid Oakley, Albany policewoman. ## May Ellis Olson Named 'Woman Of Achievement'

At the "Woman of Achievement" Dinner given by the Alberito and Oakland Business and Professional Women's Clubs on October 10, 1962, at the Helmet Club in Berkeley, May Ellis Olson was named the "Woman of Achievement" for 1962.

## EGENBERGER OPPOSES UN PROCLAMATION AT CITY COUNCIL SESSION

The request of Dr. Florence Harris, vice-president of the Albany-Berkeley Chapter of the United Nations, for a proclamation declaring October 21 to 27 United Nations Week was subject to heated discussion at the Albany City Council meeting Monday night, October 15.

Councilman Joseph A. Egenberger said he could not in all conscience vote for the issuance of the proclamation because he questioned its purpose as a hope for peace. He cited the instances of conflict that had arisen since its inception.

Vice-mayor Lewis Howell and Councilman George Hein quietly disagreed with his negative stand but Councilman Joe Carlevaro waxed eloquent as he defended the United Nations. "I think the United Nations will continue to grow and gain strength," said Carlevaro. "I have whole hearted faith in the United Nations." He said that he respected Egnebergher's right to his opinion but he believed his stand was that of an isolationist.

Egenberger replied that he was not an isolationist and heatedly amplified his opinion of the United Nations. Hein, at this point, gathered his papers together and left the Council chambers. Mayor Parker called for the vote and the proclamation will be issued. Egenberger's was the only dissenting vote.

Other business of the evening included sending a letter to the Albany Homeowners and Taxpayers Association thanking them for their cooperative stand in opposing the present Rapid Transit routing; a postponement in the appointment of Mrs. Jean Samuelson as Director of the Senior Citizen Center until a joint meeting could be held with the Recreation Director and the chairman of the Park and Recreation Committee to set a salary scale for the position; the proposed increase by the Oakland Scavenger Company was referred to Administrative Officer Turner and City Attorney Larry D. Saler for further study and recommendation; and a public hearing was set for November 5 for the Hill Lumber and Hardware Company request for rezoning.

The appointment of Carolyn Dietz as a probationary policewoman clerk was ratified and the resolution of the appointment of Louis R. Tripodi as a member of the Civil Service Board was adopted.

**ALBANY UNIT 292,** American Legion Auxiliary Canasta Club will be entertained Friday, October 19 at noon by Mrs. Fred Klein, 733 Pomona Avenue. Mrs. Minnie Adams is co-hostess.

LEWIS HOWELL

BYRON RUMFORD

## Howell Appointed Vote Chairman for Rumford

Councilman Lewis Howell has been chosen by Assemblyman W. Byron Rumford as Chairman of his Albany campaign for re-election to the State Legislature.

"I am pleased to give my whole-hearted support to Byron Rumford for the fine job he has been doing in the legislature to help Albany," Howell said. Howell mentioned in particular Rumford's efforts to secure state compensation to the city for services provided to residents of University Village and development of the yacht harbor.

A well known Albany business executive, Howell has served as Councilman for 11 years, serving 6 years as mayor. He will base the campaign effort on Rumford's outstanding record for 14 years as representative of the 17th Assembly District.

Rumford returned last week from a special Presidential White House Conference in Washington, D.C. on narcotics control. He has been Chairman of the Assembly Public Health Committee since 1953 applying himself particularly to stringent narcotics legislation and improved conditions of public health.

Rumford has a degree in Pharma y and an advanced degree in business administration from the University of California. In 1943, he acquired his own drug store and was also appointed Public Health Investigator.

Assemblyman Rumford was first elected to the legislature in 1948. He introduced legislation which permitted free polio shots, the establishment of Fair Employment Practices Commission and served on the committee which created the Department of Alcoholic Beverage Control, as well as veterans affairs and regional planning.

In 1953, Assemblyman Rumford was honored with an invitation from the State Department to travel in Germany as a Citizen Ambassador of the United States, and again in 1960 was invited to Washington, D.C., by the Ambassador from Ghana to meet with American business men on the economic problems of that country.

Councilman Howell believes that Rumford's type of progressive representation should be continued and will bring this message to all Albany citizens between now and November 6.

QUALITY VS. PRICE
Every once in a while we have a prospect faint when we tell them the price of the new KIRBY SANITRONIC, because, to be very frank, the KIRBY is not a cheap machine.
However, once you see the KIRBY perform and see the many, many household chores it will do for you quickly and easily, you will soon forget about the price.
So why not give us a call and let us come out and show you this expensive piece of machinery. We have to have something to do.
Besides we can arrange very small monthly payments and we will also furnish a bottle of smelling salts for your husband.

Assisting in the social hour were Mrs. Stan Young and Mrs. Clarence Dame, hospitality chairmen and Mrs. James Ellis and Mrs. Gerald McGrath, tea hostesses. Refreshments were furnished by the following grade representatives: Mesdames Merritt Thomas, M. J. ## School Board Negative On Rapid Transit

The Board of Education of the Albany Unified School District took action in opposition to the Rapid Transit proposal, which is being presented to the voters of Albany on November 6, by the adoption of a resolution, and directed that copies of said resolution be forwarded to the Transit Authority, the press and the Albany City Council.

RESOLVED that the Albany Board of Education publicly state its opposition to the rapid transit proposal as being presented to the voters of Albany on November 6th, 1962 for the following reasons:

1. The proposed route would financially and physically cut Albany in half and seriously threaten our schools' future.

2. The blank check type of bond proposal which excludes local community participation in route selection is not deserving of the voters' support.

3. The threat type of promotion, that failure of immediate passage will be disastrous to the Bay Area, demonstrates the Transit District's unwillingness to allow a thoughtful and thorough examination of their plan.

4. Finally, the participation of only three of the eight Bay Area counties casts serious doubts on the claim that this proposal would benefit the entire Bay Area.

# May Ellis Olson Award

(Continued from page 1)

Club of Albany who through committee founded the Albany Senior Citizens group, of which May is a member. Also instrumental in starting the Senior Citizens Foundation of Albany, which culminated in the dedication of the Senior Center two weeks ago.

She served for many years on the Republican State Central Committee; was campaign chairman with Dr. Laurance L. Cross in the election of the late Judge Louis J. Hardie to the Berkeley-Albany Municipal Court, after the merging of the city courts; is a member of the Albany Republican Council of Women and the Republican Assembly. May has always been an advocate of the advancement of women and has been responsible for furthering the education of a number of girls and boys through financial aid and encouragement.

In 1956, she was presented the distinguished service award by the Albany Inter-Service Church Council as Albany's most outstanding citizen. For outstanding Community service through her loyal, faithful and unselfish efforts she has made a great contribution to her community, state and nation.

This year, along with her husband, she received a citation from the Department of California Veterans of Foreign Wars in recognition of many contributions to the community and for extraordinary understanding and compassion to veterans. It was presented by Albany Post of VFW.

The majority of generosities and contributions of May Ellis Olson, however, remain quite unknown and unpublicized. The number of times that she has smiled quietly and said: "Let me give," are without number. The "Woman of Achievement" award was fitting — for she is indeed a woman of achievement.

You've now been using atomic electricity for five years!

October 24th will mark the 5th anniversary of the Vallecitos Atomic Power Plant . . . America's first AEC-licensed nuclear generating station. This year, PG&E will complete a second atomic power plant at Eureka—twelve times larger than Vallecitos. And we're planning a third, *still larger* plant at Bodega Bay. Pioneering research and development in atomic-electricity is another way we work to provide plenty of PG&E service at low cost. Of course you've added many new appliances over the years, so your *bill* is bigger nowadays. But did you know the *price* of PG&E gas and electricity is 8% less than thirty years ago?

In his opening remarks the president stated the needs and objectives of the new organization. Twenty members and guests were present; each introducing himself and stating his address.

Minutes of the organizational meeting of October 1 were read by the temporary secretary and were approved. The treasurer's report showed a healthy financial status for the new organization. By-Laws were read by the president and adopted unanimously by the members present.

Officers elected by the membership are: President, William Culley, 830 Madison Street; First Vice-President, G. D. Gaeta, who was unable to attend the meeting due to prior commitments; secretary, Jean Rutherford, and Treasurer, Louis Tripodi.

Board of Directors consists of the President, First Vice-President and Secretary, who are automatic members of the Board, and the other four directors are: Arnold Innes, John Connors, Louis Tripodi and H. F. Call.

Guest speaker of the evening was J. Howard Arnold, former member of the Board of Directors for AC Transit. He spoke on the "Hidden costs and fallacies of Rapid Transit as proposed on Proposition A" and urged the membership and guests to vote No.

It was stated by the president that the association would vigorously assist and work with his organization and any other legal organization opposing Proposition "A" in its present form.

The meeting was adjourned at 9:45 p.m. with applause by the enthusiastic membership.

The Albany Homeowners and Taxpayers Association will be a permanent organization. Officers will be elected annually. Dues will be Three Dollars and up, depending upon the type of membership desired. Any homeowner in the City of Albany or any business owner may apply for membership.

## Soroptimist Reps Visit Landmark

Antoinette Stalone is the newly elected president of the Soroptiist Club of Albany. She is well qualified to carry out the Soroptimist plan — international in scope—namely "To Maintain The Highest Ethical Standards in Businessand Professional Life".

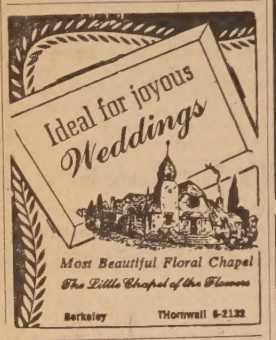

The Albany group, represented by President Stallone, and delegates Helen Fake, Seville McKenzien and Miriam Gilsenan are recently back from a district meeting in Eureka. The theme was "The Redwoods Took Time to Become Giants — May We Take Time To Become Leaders." Meetings were held in the beautiful Eureka Inn.

A very special treat was awarded the delegates this year. This was a breakfast and tour of the Ingomar Club (formerly the Carson Mansion). The Carson brothers were pioneers in the lumber business. One brother built this house in 1886. It was a show place of Eureka, and is, perhaps, the most widely publicized and photographed house in America. It is the most perfect example of the so-called "Victorian" style of architecture remaining in the United States today. It is now operated as a private club and the Soroptimists were fortunate indeed to be invited on their tour.

## Rotary To Hear W. Ward

Kenneth Blomgren, Program Chairman for Albany Rotary Club luncheon meeting on Tuesday, October 23, announces that Mr. W. W. Ward Jr., from Redwood City, Calif., will be the speaker. Mr. Ward has served as attorney for the National Labor Relations Board in St. Louis and Chicago. Following his government service, he handled labor negotiations for Montgomery Ward and Company and the W. R. Grace Co. At the present time he operates his own industrial relations consulting firm, which handles labor and personnel problems of many Northern California firms and associations.

Bert Griffin, President of the Albany Rotary Club, will preside over the noon meeting and cordially invites all visiting Rotarians and guests to attend. Weekly meetings are held every Tuesday at 12:05 at Spenger's Restaurant in Berkeley.

## Albany Chamber Opposes Prop. A

The Board of Directors of the Albany Chamber of Commerce at their regular meeting held Tuesday, October 9, went on record as opposing Proposition A, Rapid Transit Bill, due to the present routing through the city of Albany. If present routing is allowed, it would create a great hardship to the city. 79 houses and 5 stores would be removed along the proposed route.

Director Forry reported that a student group from the High School would be calling on Albany merchants soliciting their cooperation and support for advertising in the "Cougar", Albany High School annual.

Thomas Gabriele, chairman of the Christmas Street Decoration Committee, wants to remind the merchants on Solano and San Pablo Avenues to send in their money promptly. Money for this project is coming in slowly and the total amount must be received before the decorations can be ordered.

The Chamber, under the leadership of Tom Gabriele, is planning a Retail Promotion to start about November 15 and continuing to the Christmas Holidays.
